THEIR WESTERN SERIES. he Brooklyns Down St. Lents - Balti-more Has an Easy Time in Louisville - Chicago, Pitteburgh, and Civeland Befeat Their Eastern Opponents.

With the game played at Cincinnati yesterday the New Yorks brought their first Western trip of the year to a close. Buck Ewing's players played stubbornly from start to finish, but the visitors finally managed to carry off the honors. The Brooklyns had to hustle to avoid losing another game to St. Louis. At Louisville the champions had a chance to flap their wings, for they beat the tail-enders the first time in three attempts. Anson's colts barely pulled out a victory, while Pittsburgh easily downed the Philadelphias. The Clevelands made short work of the Hostons. The results: New York, 4: Chefmatt. 2. Brooklyn, 6: 8t. Louis, 3.

Cincinnati, May 23.—Once upon a time some sage remarked. It is the unexpected that always happens." It remained for New York, the team that has been considered one of the standing lokes of the season, marked to run T. F., to come along and drag the Reds from the top. They had won that position by taking eleven games from their Eastern rivals. The series with the New Yorks has proved the most warmly contested of the six. Baltimore's title to a majority of the games was clouded, for Umpire Emsile permitted Hugh Jennings to knock Irwin down in order to score the winning run. The New Yorks title is as clear as the sun, which didn't silne for the sixth consecutive day. Rain checks were given to the 5,392 enthusiasts, most of whom expected to see the Reds win. They were all primed for noise, but there was but one inning in which they were afforded any opportunity to teat their lungs.

Meekin pitched a masterly game, and the only error behind him did not count. Ehret did not fare so well. Three bad plays credited to his support, one of which he made himself, were worth two runs, while the only man who was not furnished free transportation to first, Clark, was also enabled to score. It was Clark who brought in the first run on his gift, it. Davie's out, and singles by Meekin and Wilson. Ehret fumbled Van Haitren's grounder, filling the bases, and Meckin scored while George Davis was forcing out Van. This same Davis carned his way home on a single steal and Farrell's single in the fifth. Hoy doubled in the sixth and stole third after George Davis's speciacular catch of Miller's fout. He came home on Vaughn's triple, a little grounder which got past Van Haltren and Tlernan as they came together with a thump. Gray's grounder to third sent Vaughn in, Wild throws you was forcing out Van. This same Davis as pectalar catch of Miller's fout. He came home on Vaughn's triple, a little grounder which got past Van Haltren and Tlernan as they came together with a t CINCINNATI. NEW YORK.

METROPOLITAN, 11; PATERSON, 3 (FIRST GAME). Umpire Hoggins narrowly escaped being molibed at the Polo grounds yesterday. Wykoff, who was scheduled to officiate, falled to appear,

and Zearfoss and Viau gave the decisions in the first game. Hoggins, who is the substitute umbire of the Atlantic League, arrived in time to umpire the second game. The double bill attracted 3,000 persons, and the crowd hooted Hoggins before the game had hardly begun. Hoggins's work was excellent in the early innings, but as it happened that every close decision was against that every close decision was against that every close decision was against that was the close of the game. Hoggins made several poor decisions, and when the last man had been retired, half of the crowd rushed upon the field toward him. The crowd halt closed in on Hoggins, when three policemen came to the umpire's rescue and escorted him from the field. The crowd gathered outside of the grounds, but Hoggins stayed in the club house until it dispersed. The score:

YALE OUTPLAYS PRINCETON.

Greenway and Murphy Too Much for th

NEW HAVEN, May 23,-Yale played one of her old-time games on the Yale Field this afternoon and defeated the Princeton team by the score of 7 to 5. The features were Greenway's pitching and the superior work of Murphy be-hind the bat. The Yale batters were not overawed by Easton, as they found him for nine hits. In the first inning Keator made a single, Greenway went to first base on balls, and Letton's hit for two bases let in two runs. The Yale enthusiasm was at high pitch at this, and it rose a trifle higher when Letton scored on a it rose a trifle higher when Letton scored on a passed ball and an error by Gunster. Princeton scored her first run in the second inning on a single by Bradley. He stole second, reached third on Quinby's muff, and scored on Smith's sacrifice hit. Yale made two more runs in the fourth inning, which made the score Yale 5, Princeton I. Before Princeton was retired in this inning she had scored four runs, tieing the score. This was the last of the run getting for the Jerseymen, while Yale added two more runs. The score:

HARVARD'S EASY VICTORY.

Pennsy's" Men No Match for the Men

from Cambridge. PHILADELPHIA, May 23.-Harvard defeated the University of Pennsylvania this afternoon on Franklin Field by a score of eight to two. Paine, the victor's pitcher, was effective until the ninth inning, he striking out nine batsmen. the ninth inning, he striking out nine batsmen. O'Donnell started to pitch for Fennsylvania, but Harvard took his measure in the third inning, and, in the lifth, he gave way to Wunder. The latter did well until the eighth, when the Cambridge men scored three runs on Haughton's home run, a hit to deep left. Wilhelm's error, Pote's single, and Dean's double.

Harvard blayed a better game at the bat and in the field than Pennsylvania. Holloway, who covered second base for the local men, made a home run in the first inning, and followed this with two singles. The attendance was 5 500.

McLaughlin, who pitched four games for the McTropolitans, winning all, was too high-priced for President Freedman and was released. At the Prospect Fark grounds resterday the Bank of the Republic defeated the Bank of North America, 28 to 10. The batteries were Gray, Cook, and Bowen; McNatly and A. Cavanagh. The Georgetown baseball team, as the records clearly prove, is one of the strongest teams in the country. They would like to arrange a game in the vicinity of New York for Saturday, May 30. Address J. P. O'Brien, mianager, Georgetown College, West Washington, D. U.

West Washington, D. C.

There were a number of socidents at the Prospect Park parade grounds, Brooklyn, resterday. One of the most serious was that which befell Robert Bivens, 23 years of age, of 257 Jefferson averue. He played temporarily with the Hamilton Athletic Clab, filling the position of third base. In the second inning liven was at the bat, Wall, the Sydney pitcher, sent in a sharp curved ball, hitting Riven on the head. The latter fell unconscious. He was taken to the Seney Hospital. The ambulance surgeon pronounced his injury to be cerebral concussion.

NEW YORK A.C. SWIMMERSTRIUMPH

They Easily Defeat Their Montreal Rivals for Water Polo Honors. About the most envied set of amateur sport

ing men in New York vesterday were the rival water polo experts who tried conclusions in the New York A. C. swimming tank. The referee and other officials who affected the bath-robe costume were also provokingly cool, but the hundreds of club men who monopolized the standing room around the ropes were hot enough at times to turn in as they stood and take a hand in the tempting frolic. The contest was an international affair be-

tween the expert polo players of the home club and the Grand Trunk Boating Association of Montreal. The latter organization holds the championship of Canada, while the wingedfoot combination has yet to find an equal. The struggle was divided into two sessions, one in the afternoon and the second at 9 o'clock last night. The officials were: Referce, Juan Smith. Chicago A. A.; Goal Judges-for New York, Bartow S. Weeks and Harry Buermeyer; for Montreal, T. Wall and Harry Clark; Timers-for New York, Robert Stoll; for Montreal, M. O'Brien. The teams lined up as follows:

Positions.
Centre rush.
Right forward.
Left forward.
Quarter. N. Murray. Quarter. H. Stark
C. J. Kintner. Goala. R. Keil
W.C. Thomson. R. Stark
The home players never left the issue of the
afternoon game in doubt from the start. Twentysix seconds after the ball was put in piay W. E.
Dickey scored a goal, and 2 minutes and 5
seconds afterward Dr. Davis reached the board
for another. The visiting team then made a
resolute rush for the home goal, but as they
were scrambling in a big effort to score, the
referee's whistle sounded. The players thought
it was the half-time signal and left the tank,
but the referee explained that he had simply
called an "off side" play. On resuming, the
home players put in some beautiful long range
passing, and after 4 minutes 19 seconds. Wencke
got the sphere from Dickey and scored a goal.
Fierce tackling and splendid passing let Dr.
Davis in for another goal, but it was disallowed,
as half time expired five seconds before the score.
With the score 3 to 0 in their favor, the
winged foot swimmers started in at racing
speed in the second half. In a few seconds
Dickey reached the board, but the goal was
cancelled for "off side" play. There was little
to choose between the teams for a few minutes,
but Murray then took a pretty pass from Dr.
Davis and scored a goal, after 4 minutes 11 seconds. Soon after Dickey passed to Dr. Davis,
and the latter raised the New York tally to 5
after 1 minute 18 seconds. Time was called
with the ball in neutral territory, and the score
5 goals to 0 in favor of the home team.
The second game was played last night, and
proved even easier for the New York A. C.
cracks, who rolled up a score of seven goals.
The visitors were helpless in face of the local
combination and retired pointless. Normandle
Murray started the fun with a neat goal, W.
Dickey contributed another, Dr. Davis made
two, and Wenck three. This left the New York
A. C. men winners on the day's play by the
aggregate score of 12 to 0.

HOWARD TAKES COASTING HONORS New York A. C. Wheelmen Enjoy Novel Sport-Racing Team for the Club,

The New York Athletic Club Wheelmen held a coasting contest vesterday at Mamaroneck The competion was interesting in view of the fact that it is the first event of the kind held in this vicinity in some time, and on account of the big field of entries. Seventy men entered for the coast, the prize being a diamond pin. The order of finish was:

I no order of Inian was:

H. F. Howard first, by five yards: M. M. Belding, Jr., second, by five feet nine inches: H. G. Harnard third, by five yards: Fred Bruner fourth, by twelve yards: F. Each contestant was restricted to maintaining a steady position throughout his

The club will be represented by a bicycle racing team this year. H. K. Bird, George Ruppert G. E. Underbill, Ray Dawson, and I. A. Fowell have been selected as the club team and will follow the New York State circuit. It is alleged that these riders will pay their own expenses.

A Well-known Wheelman Injured. CLEVELAND, May 23,-E. C. Johnson, the bieycle circuit rider, met with an unfortunate accident yesterday afternoon at the Gienville track. The Case-Western Reserve University track. The Case-Western Reserve University field contests were being held inside the oval when Johnson and saveral others who are training at Glouville went on the track. One of the Western Reserve University professors went on the path to order the riders off, and as they falled to recognize his assumed authority, he put his cane in front of Johnson's wheel while he was going at a 2:30 clip. The rider was thrown, his wrist sprained, leg injured, and his face and body badly cut. Johnson will swear out a warrant for the arrest of the professor.

Pat Daley Defeats Valentine in 12 Rounds. LONDON, May 23 - At Kennington last night Pat Daley defeated Valentine in twelve rounds. The fight was for £70. LIVERMORE'S GOLF CUP.

THE ST. ANDREW'S AMAZEUR VIC. TOR AT KNOLLWOOD.

The Rev. Dr. Hainsford a Very Close Sec. ond and Sweney of Albany Third-Another Record for Fenn-Twenty-nine Hand in Cards at the Touranment, St. Andrew's, the oldest golf club in the United States, was in great form at the closing match yesterday in the Knollwood Country Club tournament. The three winners were St. Andrew's men, although H. R. Sweney entered from another club he belongs to at Albany. Arthur L. Livermore won the Knollwood Challenge Cup, a trophy that must be captured three times to become his sole property, and also the gold medal. The Rev. W. S. Rainsford was second and Sweney third, each winning a silver medal.

The weather was delightful and the links in splendid condition, the rain on Thursday having come in just the right time to aid the task of the greenskeeper. Twenty-nine handed in cards, five more than in the November competition, when J. R. Chadwick of the Richmond County Country Club won with a score of 210 Yesterday he was handlcapped at eight and made a good score in the first round. At the sixth hole going out, in the afternoon, Chadwick slipped on the tee and twisted his ankle, pluckly completing the round, but it was golfing under difficulties.

But one of the men who finished, John Reid

the President of St. Andrew's, acquired his skill on the other side of the Atlantic. Dr. Rainsford is of English birth, but learned golf in this country, while not more than one or two of the others had ever seen a golf driver until two years ago. The scores show that they are close students of the game. Twelve of the clubs in the United States Golf Association were represented in the tourney. In the interval between the rounds a capital luncheon was spread in the club house, and the pretty Queen Anne cottage was thronged with the polfers and their quests. The Greens Committee, P. Gibert Thebaud, F. A. Waithew, and E. H. Clarke, have managed every detail of the tournament in shipshape

Walthew, and E. H. Clarke, have managed every detail of the tournament in shipshape style.

In actual play, A. H. Fenn of the Palmetto Golf Club again made the best performance. He cut down the record made on Friday by a stroke, making the last eighteen holes in 91. All of his records have been made by good work going out, his accres for the in holes invariably showing a failing off. All the others find going out the most difficult part of the journey. Fenn's handleap was plus eight, and he finished in fourth place despite this crushing impost. He conceded twelve strokes to the winner, who beat him by six.

Livermore was in his best form, steady as a clock in driving and brilliant in the short game. He made the 425-yard hole, the fifth, in seven and six each time, the latter the bogic mark for the hole. His only blunder was at the tenth hole on the second round, a bunkered drive making it a nine. He had been sure of doing it in four or better. Immediately after, to retrieve this blur on his card, Livermore drove dead on the green for the eleventh hole, a downhill carry of 169 yards, and holed out in two by a short put.

Sweney was in difficulties through the green on the first four holes on the second round, tak-

carry of 169 yards, and holed out in two by a short put.

Sweney was in difficulties through the green on the first four holes on the second round, taking twenty-nine strokes for them against twenty in the first round, when he played his usual game. This spoiled his chances for the cup in spite of low marks on the Swallow hole, a three each round. Dr. Rainsford made the View, going out, a 247-yard hole, in three, a brilliant bit of golfing. A fine brassey, after a long drive, brough thim deat for the hole. He followed this by a six on the long hole and scored the two short holes, the Swamp and Midget, in threes. This round was made in 97 and was pretty play. Kerr, the President of the Lakewood Cub, was bunkered playing for the first hole both in the morning and afternoon, and he met with a similar fate at the fourth hole on the first round. Otherwise his play was capital, the 425-yard hole being twice made in six. Walthew, who made the best performance of the Knollwood men, was punished by double figures on three usually easy holes. His drives were good, but the airproach plays found the hazards, and twice he had to lift from stones. The six best scores by strokes follow:

A. B. Fenn—

ON THE BALTUSROL LINKS. L. P. Bayard, Jr., Winner in the Members' Competition.

A medal play handican competition of eighteen holes attracted a throng of spectators and players to the Baltusrol Golf Club yesterday. It was the most successful match yet decided on the links from every point of view. Henry P. Toler, fresh from his Knollwood tussle with Fenn, was in good form and made the rounds in a score that equalled the winner's net card. Toler was plus four, which spoiled his chance for the prize. His card was:

PATERSON, May 23.-A members' handleap match for a silver cup presented by Mr. King was played to-day on the Paterson Golf Club links. The playing along certain parts of the course was brilliant at times, and

heartily applieded by the spectators. The cup was

won by Robert Goodbody with a handican of 12 by a net score of 91, very good figures considering the condition of the Paterson grounds, toy, trigge played, but did not turn in his card. The score; Mr. Robert Goodbody. Mr. W. I. Rosencranta. Mr. S. M. Allen Mr. C. D. Cooke Mr. David Burnett. Mr. W. Hewat Mr. Harry Furenbach.

Philadelphia Golfers Win at Tuxedo. A team match between the Philadelphia Country Club and the home players was decided on the Tuxed Club links yesterday afternoon. The visiting team was made up of L. H. Bohten, Mahlon Hutchin son, M. Newhall, Charles Bohlen, M. Farnum, L. Biddele, W. M. Cawley, and J. W. Starr. The Tuxed older, W. M. No Golf at Dykers Meadow. a meeting of the licard of Governors of the Dykers Meadow Golf Club was held at the new club house, at Fort Hamilton, yesterday morning, and it was de cided to defer the opening until June 4, when a prize will be offered for a hamilton medal play contest. HALF-RATERS RACE AGAIN.

Sherman Hoyt's Paprika Wins at New Rochelle-A Sibblek Beat Coming. The New Rochelle Yacht Club formally opened their club house in Hudson Park, New Rochelle, yesterday, and afterward held a special race for the little half-rators on the sound off Echo Bay. Incidentally the holsting of the club's white and blue flag was greeted with a roar of cannon from the yachts assembled in the harbor, and an instant later the fleet and club house were almost hidden in rainbows of particolored flags hoisted in honor of the opening of the yachting season in Echo Bay. Among the yachts which took part in the ceremonies were Commodore Henry Andrus's sloop Sasqua, Vice-Commodore Henry Doscher's sloop Banshee, Rear Commodore W. H. Simonson's yawl Aura, Colgate Hoyt's launch Tide, F. M. Hoyt's sloop Norota, C. M. Tatum's sloop Cosette, C. O'D. Iselin's steam yacht Heivetla, and the Country Club's Januch Widgeon, with Mr. and Mrs. W. Butler Duncan, Jr., and Newberry D. Thorne on board. In addition to the half-rater race there was to have been a club regatta for all classes. Few of the club boats were in commis-ston, however, so four boats, which included

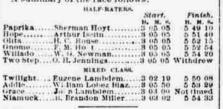

classes. Few of the club boats were in commission, however, so four boats, which included two cabin cats, an open cat, and a cabin sloop raced in what was known as a mixed class.

Surprises are frequent in the smaller classes, as was amply proved last week when Tom Clapham's impled the flect over the Huguenot Club's course, and yesterday was no exception to the rule, as a brand-new boat, designed by L. D. Huntington carried all before her. The new champion is owned by Sherman Hoyt, a young son of Colgate Hoyt of Cyster Hay, and is named the Paprika, which is the Spanish for pepper, and, as one yachisman put it, she is literally "hot stuff." Young Hoyt, in view of the fact that it was the first race he had ever sailed, handled the boat remarkably well, with the boat designer as his assistant. The other starters were: Commodore Rouse's Olita, sailed by Leff Huntington; W. G. Newman's Willada, sailed by Irving Zerega; Arthur Iselin's Hope and F. M. Hoyt's Chome and O. H. Jenning's Two Step, sailed by their owners. The imp was on hand, but did not start, as according to her official measurement she measures 15.38 fect, and is therefore over the class. In addition to this, Mr. Clapham, not being an amateur, is ineligible to sail her.

Owing to light and fluky airs, interspersed with cains, it was by no means a decisive race, though it looks as if in light winds the Paprika could hold the rest of the half-raters safe.

The Regatta Committee were rather slow about starting the race, and it was after 3 P. M. before the little racers were sent away on their journey. The course was:

From the starting line at Echo Ray to and around the red busy on the southwesterly end of "Hen and Chickens" reef, leaving it on the starboard hand, thence to and around the striped busy known as Middle Ground Buoy, "being the most easterly busy on Execution Reef, eaving it on the starboard hand, thence to and around the striped busy known as Middle Ground Buoy," being the most easterly busy on the said on the starboard hand, thence to and a
